- Audi, AG and Audi of America are instituting a Chapter Event Incentive Program making available monetary support to each of the chapters in 2012. The funds are to be used by the local chapter in conjunction with one of their local dealers to host a social event. The purpose is to attract new club membership. We will take advantage of this program. Details to follow.
- We will begin the process for the election of the Board of Directors for our chapter. Any chapter member in good standing is eligible to run for office. Those interested should begin preparation of their election biography outlining their particular experience and talents which will contribute to running the chapter. More information will follow in the coming months.
