- Twenty four members and friends gathered at Fast Company for a Car Show and Barbeque. We had a chance to display our cars in the parking lot. For the most part the weather cooperated except for some brief showers. There were plenty of brats, burgers, buns and of course beer and all of the treats that the attendees brought were super. A hearty THANK YOU to Dan Fowler of Fast Company and Andy Schor for their gracious invitation to organize and host this event.

JUNE EVENT

Country Drive for Charity

The next get-together will be our third annual Country Drive on June 14th. In keeping with our bylaws we will dedicate one of our events as a charity fund raiser. We chose this event as that opportunity and have renamed the event as The Country Drive for Charity. We will ask for a suggested donation of \$20 for each car entering the event. The proceeds this year will go to the Multiple Sclerosis Society. Arrive at Panera Bread by 1:00 pm. We plan to leave between 1:45 and 2:00 in several groups. There will be a short rest stop part way through at the Powdermill Nature Reserve. We will also make a short stop at Ohiopyle to look at the rapids. Then we will move on to dinner at the Stone House restaurant on rt 40. Terry Schulz is the sponsor for this event. If you are attending (or have questions) please contact Terry at schulzt@comcast.net with driver's name, make/model car, number of people riding in the car, and cell phone you will use that day. Also let him know how many will attend the dinner. Thanks to Terry for sponsoring and organizing this event.
