Nine members and friends of the Audi Chapter participated in this year's Country Drive for Charity. The drive took us through the countryside to the east of Pittsburgh. The route in all was about 100 miles long and utilized back roads that passed through scenic countryside with some nice twisty sections. At times the weather tested the drivers skill by having to avoid downed trees and accumulated water. There were two planned stops. The first was at the Powdermill Nature Reserve where we took a short hike. We also stopped at Ohiopyle to view the rapids and stretch our legs. From there it was a short drive to the Stone House Restaurant where we had an excellent dinner. The Audi Club wishes to thank Bethia and Terry Schulz for organizing another great event. Through their efforts the chapter collected \$180.00 which will be donated to the Multiple Sclerosis Society.

Our chapter will be hosting a display of members cars again this year at the Audi tent and Display as part of the Pittsburgh Vintage Grand Prix. Be sure to register early for the weekend of activities for Saturday and Sunday, July 18th and 19th which will enable you to park with the other Audis on the Schenley Park Golf Course. This is our chapter's biggest social event of the season so don't miss out.
